

# Dash Ultra 3 in 1 Power Rollator

The versatile rollator, assisted wheelchair and electric wheelchair in one

## Power assist/resist

Rear control on the hand grip provides either power assist when used as a wheelchair or resistance when used as a rollator.

## Swingaway legrests

Can be folded back completely to allow easy transfer in and out of the chair. Can also be detached for easy transport and storage.

## 5 Gear speed

Front control allows the user to select up to 5 gears for speeds between 1.2 to 6 km/h forward speed and between 1 to 2.2 km/h in reverse.
